

# Health Care For All

## Jobs with Justice takes on Tinius Olsen Machine Co.

-**T**inius Olsen Machine Testing is a small, specialty machine manufacturing company on the Willowgrove Naval Air Base in Horsham, Pennsylvania.

-**T**his highly profitable company counts large auto, and industrial companies/agencies among its customers.

-**D**espite this companies financial success and security, the company leaders have made clear that they are tired of sharing the wealth.

-**O**n February 13, 2006 Tinius-Olsen locked-out all of the unionized workers. For more than **16 weeks, the longest worker lock-out in Pennsylvania history!**

-**T**inius-Olsen owners have made one offer to there workers: **“take up to 325% increase in your health care costs or don’t come to work.”**
